

**WED2010**  
WORLD ENVIRONMENT DAY • 5 JUNE  
MANY SPECIES ONE PLANET ONE FUTURE

*Svechha*  
wings of freedom to all!!

## Many Species. One Planet. One Future.

**Green Green Green....**Hello!! It's time to ring in the green era. Let us resolve to do our little bit for the cause on World Environment Day

Our environment is the future of our world. If it is not healthy, then we cannot think of taking a breath of peace.

### Little Do Littles to Go **GREEN**

- General** : Feel free to plant a tree. Do not throw away, indulge in charity
- At Home** : Save on water and power. Help reduce air and water pollution
- In Office** : Say no to plastics and paper. Let re-use and re-cycle be your mantra

Celebrate World Environment Day with the fervor of any other festival, after all the Earth is our home too

*Svechha* wishes all its folks a GREEN DAY

Svechha Foundation in association with LGS & employees of Google Hyderabad, with the support of GHMC is organizing a plantation drive of 1,000 plants on 5th & 6th of June (Sat & Sun) at KPHB Colony, Hyderabad.
